### Novality Troubleshooting Tips & Tricks

- Picot Stitches Curling:** To keep the petal points sharp on Sunny, pull the slip stitch tight after making the ch-2 picot loop.
- Chest Patch Distortion:** When stitching Waddle's white patch, pin it flat first to prevent puckering along the edges.
- Shaping Spud:** To give the potato a natural lumpy look, place fiberfill unevenly or use a scrap piece of yarn to pull slight dimples into the stuffed body.
