- Rnd 21 (Border): Ch 1, sc in each dc st across, work 3 sc into each corner ch-2 space. Sl st to first sc to join [252 sc total].
- Fasten off and weave in ends.

4. Assembly

- 1. Center the completed head over the middle of Rnd 1 of the Granny Square blanket.
- 2. Using a yarn needle and Cream yarn, securely stitch the bottom of the head (Rnds 16–17 boundary) directly to the center cluster of the blanket.

Novality Troubleshooting Tips & Tricks

- **Curling Granny Square:** If your blanket corners curl upward during Rnds 5–20, your tension may be too tight. Switch to a 4.5 mm hook for the blanket section or ensure your ch-2 corner spaces are loose.
- **Blanket Edges Bowing:** Ensure you do not miss the ch-1 spaces between the 3-dc clusters. Skipping a ch-1 space pulls the edge inward, causing distortion.
- **Head Drooping:** To keep the bunny head upright, sew a wider ring around the base of the head where it meets the blanket rather than anchoring only the center point.
